For more info: www.r-go-tools.com

For more than just cables

Beside cables you can load the R-Go Cable Tray Basic with heavier things like extension cords and transformers. It's easy to unload and reload the cable tray, which decrease hunching in uncomfortable positions under the desk. The sides of the cable tray are easy to detach.

- **No need to unscrew after installing**

Once the R-Go Cable basket has been installed under desk there is no more need to unscrew Basket and screw it up again for unloading and reloading.

- **Mounting materials includes**

The R-Go Cable Tray Basic comes with all necessary bracket hooks and screws.
