Create a safe and tidy workplace

With a CPU holder you create more space on your desk, because the CPU box hangs under your desktop. This protects the computer from dust, dirt and theft. The workplace can also easily be cleaned. You can create an efficient, safe and tidy office.

- **Both horizontal and vertical mounting**

You can use the CPU both horizontally and vertically, and it can easily be combined with cable management.

◦ **White and silver**

The CPU holder Basic is available in white and silver and black.
