Two monitors, one monitor arm

With the R-Go Steel Wing you attach two monitors on one monitor arm. You can place two monitors at the same height. It's a very easy and inexpensive solution, because there is no need to buy a second monitor arm.

- **Up to 32 inch**
The wing is suitable for screens up to 32 inches
- **For any monitor arm**
The wing is suitable for monitor arms with a VESA connection.
