Work faster with two screens

With the R-Go Double Screen Wall Bracket, you can use two monitors - for working simultaneously. If you regularly work in multiple programs simultaneously, you will have the space on your desk top to keep well-organized. The R-Go Double Screen Wall Bracket will enable you to work faster, increase performance and make fewer mistakes. The R-Go Double Screen Wall Bracket is robust and flexible, and offers optimum comfort.

- **To be set independently**

The monitors can be set independently. They swivel to the left and right and they have flexible tilt options.

- **Horizontal and vertical mounting**

You can mount the screens both horizontally and vertically.
